COMPANY PROFILE

MEDLIN started its operations in 2000, offering Standardized, Safe, Convenient & Cost effective Packages to Govt. / Corporate Hospitals and Nursing Homes to maintain hygiene and avoid panic in critical care. The company is owned by two mechanical engineers, well experienced & renowned in the market, PPS Maan & Kamal Attri who join hands and successfully completed **255+ Projects** in last 22 years with a spirit and policy-

No compromise with Specified norms/ Product Quality and committed service, which lead them to their Team motto - Customer Satisfaction.

- The company is providing Turn key Projects Consultancy / Tenders for Medical Gas Pipeline systems and Modular OT complexes in Pvt./ Government Hospitals.
- We adopt the recommended Procedures/Tests for Installations as per HTM and use only the certified / recommended material as per the guidelines.
- We have trained our Installation Teams for step wise working to produce a trouble free & aesthetic installation.
- Our scheduled preventive maintenance avoids breakdowns of the life supporting systems at our projects.

WE PROVIDE

- Turn key projects
- Consultancy
- Annual Maintenance, Operation & Running Contracts
- Supplies

OUR PRODUCTS

- *Pre-fabricated Modular Operation Theatres*
- *Centralized Medical Gas Pipeline Systems*
- *Isolation ICU / Rooms*
- *Modular IVF OT/Lab*
- *Ceiling mounted cubical curtain partitions*

OUR CORE STRENGTH

Our experienced & committed **WORKERS**, who are well known to their responsibility to serve the health care takers at the earliest possible for optimum use of the technology available.

Our esteemed **CUSTOMERS**, who genuinely recognize and pass a good word about us, which enhances our installation base and subsequently our turnover.
